

Lecture: Circular Economy Kierrätyskeskus Style

<b>Slogan</b>	Learn from the best	
<b>Description</b>	<p>A detailed run of how Kierrätyskeskus manages to circulate over 4 million products annually, and how only 10% of our material flow ends up incinerated.</p> <p>We will also discuss our different workshops in further detail – their challenges and benefits in keeping products in use. We will also shed some light on how we measure our positive environmental impact.</p>	
<b>Benefits</b>	<ul style="list-style-type: none"> <li>• Inspiration and ideas of reuse in all its forms</li> <li>• Ideas for finding new paths for various material flows</li> <li>• Ask our experts and brainstorm ideas</li> <li>• Knowledge of circular economy in practice</li> </ul>
