

Behind the Scenes tour

Slogan	See and feel how items circulate	
Description	We begin with a short intro on what Kierrätyskeskus is all about and why it is so vital to keep items and products circulating. Visitors get to see the steps items take on their journey to be reused. They will also learn what materials our everyday items are made of. This tour is hands-on and all the information is tailored to suit children.	
Benefits	<ul style="list-style-type: none"> • Knowledge about the origin and life cycle of items • Understanding sustainable consumption • First-hand experience on how reuse works in practice • Inspiration to learn more
