

Behind the Scenes tour

Slogan	See, do and feel for yourself how stuff circulates	
Description	We begin with a short intro on what Kierrätyskeskus is all about and why it is so vital to keep items and products circulating. Next the visitors get to see the steps items take on their journey to be reused. They will also learn what materials our everyday items are made of. This tour is hands-on and all the information is tailored to suit the participants.	
Benefits	<ul style="list-style-type: none"> • Knowledge about the origin and life cycle of items • Understanding sustainable consumption • First-hand experience on how reuse works in practice • Inspiration to learn more and consider one's own actions
